**STRONG POLYESTER THREAD**

- Ensures longer life of seam on stitched garment.
- No breakage on machine, ensuring better machine productivity and reduction in thread wastage.

**OPTIMAL ELONGATION**

- Optimal elongation control to avoid skipped stitches.
- Ensures stretching of thread on stressed seams for avoiding breakage.

**SUPERIOR LUBRICATION**

- Absorbs heat generated during the sewing process & reduces thread/needle breakages.
- Ensures smooth machine performance.
- Minimises wear & tear of machine parts.

**EXTENSIVE RANGE OF FAST COLOUR**

- A wide range of over 350 shades to choose from.
- High fastness properties ensure that the colours do not bleed or fade.
