Please note this is a colour reference and should be used for guidance purposes only. Due to the limitations of desktop scanners and variations of display monitors, the colours you see on your screen may not be an accurate reproduction of the actual shade. Coats does not make any warranty (express or implied) pertaining to this digital version.

Coats threads are manufactured and quality controlled to the highest standards possible. Since the conditions of use, washing, pressing and cleaning etc. vary, the purchaser should assure themselves by preliminary tests that the dye fastness of the yarn or thread is 100% colourfast to crocking or washing under all conditions. We cannot be responsible for any consequential damages howsoever caused since the value of the thread is so disproportionate to the value of the goods into which it is stitched. Variation in shades may occur due to the difference lubrication level of Brio/ Classic.
